INTERVIEW SUMMARY RECORD

This will document the telephonic interview which took place on March 31, 2004. The independent claims 1 and 20 were discussed. Clarification of the claims was discussed and the Examiner counseled against the insertion of new matter. The Examiner suggested that the piston be recited as residing outside the syringe body or barrel.

No agreement as to the claims was reached.

Applicant wishes to thank the Examiner for the interview and her efforts in regard to the application.

Respectfully submitted,
WOODLING, KROST & RUST

Kenneth L. Mitchell
